GC 2.0 SCOPE.

Supplier shall provide those services and related materials set forth in the specifications attached to this Contract or those in the bid package, if applicable bid package, if any, (the "Services") on or before the agreed dates (if applicable) scheduled for the performance of the Services.

GC 3.0 INSPECTION, ACCEPTANCE OR REJECTION OF SERVICES.

All Services shall be subject to OUC's final acceptance at the time of completion. OUC may accept or reject Services within a reasonable time after receipt by OUC. The making or failure to make any inspection of, or payment for or acceptance of the Services shall in no way impair OUC's right to reject or revoke its acceptance of nonconforming Services, or to avail itself of any other remedies to which OUC may be entitled, notwithstanding OUC's knowledge of the nonconformity, its substantiality or ease of discovery.

GC 4.0 TITLE TO MATERIALS.

Title, free of any and all liens and encumbrances, and risk of loss or damage to materials provided by Supplier as part of the Services shall pass to OUC upon installation at the OUC designated facility at which the Services are to be performed (the "Facility").

GC 5.0 SITE ACCESS CONDITIONS.

OUC shall provide Supplier access to the Facility as necessary to perform the Services. Access shall be subject to Supplier's obligation to comply with the following conditions:

- 5.1** Supplier shall confine its activities to only those portions of the Facility necessary for performance of the Services.
- 5.2** Supplier shall take all safety measures reasonably necessary to protect OUC, its permittees and licensees and the property of each, from injury or damage caused by or resulting from the performance of Services. Supplier shall follow any and all safety and security procedures established by OUC for the Facility. In the event of a security emergency, OUC may deny Supplier access to a Facility or request that Supplier leave the Facility.
- 5.3** Supplier's performance of Services shall not interfere with the use, occupancy or enjoyment of the Facility by OUC.
- 5.4** No work or activity performed as part of the Services shall cause OUC to be in

violation of any requirement of law nor shall Supplier or any agent, employee or representative violate any federal, state or local laws while performing Services.

GC 6.0 DRUG FREE WORKPLACE.

The Supplier's and subcontractor's personnel who perform the work in connection with this Contract shall conform to the Orlando Utilities Commission (OUC) Alcohol and Controlled Substance Abuse Policy. This policy may be found on the Orlando Utilities Commission's website, www.ouc.com under "Supplier Information".

GC 7.0 PROTECTION OF PROPERTY AND PUBLIC LIABILITY.

The Supplier shall be accountable for any damages resulting from his operations. He shall be fully responsible for the protection of all persons including members of the public, employees of OUC, and employees of other Suppliers or Subcontractors, and all public and private property including structures, sewers, and utilities, above and below ground.

GC 8.0 INSURANCE.

Except as otherwise specified in this Contract, the Supplier and his subcontractors of any tier will be required at their own expense to maintain in effect at all times during the performance of the work insurance coverages with limits not less than those set forth below with insurers and under forms of policies satisfactory to OUC. It shall be the responsibility of the Supplier to maintain adequate insurance coverage and to assure that subcontractors are adequately insured at all times. Failure of the Supplier to maintain adequate coverage shall not relieve him of any contractual responsibility or obligation.

The requirements specified herein as to types, limits, and OUC's approval of insurance coverage to be maintained by the Supplier and his subcontractors are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the Supplier and his subcontractors under this Contract.

Any insurance carried by OUC that may be applicable shall be deemed to be excess insurance and the Supplier's insurance primary for all purposes despite any conflicting provision in the Supplier's policies to the contrary.

8.1 Certificates of Insurance.

At the time of execution of this Contract and each subcontract, but in any event prior to commencing work at the jobsite, and as a condition precedent to the Supplier's and his subcontractors' initiation of performance, the Supplier and his subcontractors shall furnish OUC with certificates of insurance as evidence that policies providing the required coverage and limits of insurance are in full force and effect. The certificates shall provide that any Supplier issuing an insurance policy for the work under this Contract shall provide not less than 30 days advance notice in writing to OUC prior to cancellation, termination, or material change of any policy of insurance. In addition, the Supplier shall immediately provide written notice to OUC upon receipt of notice of

cancellation of an insurance policy or a decision to terminate or alter an insurance policy. All certificates of insurance shall clearly state that all applicable requirements have been satisfied, including certification that the policies are of the "occurrence" type. Certificates of insurance for Supplier- and subcontractor-furnished insurance and notices of any cancellations, terminations, or alterations of such policies shall be mailed to OUC, at the addresses listed in the Contract.

8.2 Additional Insureds.

All insurance coverages furnished under this Contract except Workers' Compensation, Employers' Liability and Professional liability shall include OUC, and their partners, commissioners, directors, officers, agents, and employees as additional insureds with respect to the activities of the Supplier and his subcontractors.

Notwithstanding any other provision of these policies, the insurance afforded shall apply separately to each insured, named insured, or additional insured with respect to any claim, suit, or judgment made or brought by or for any other insured, named insured, or additional insured as though a separate policy had been issued to each.

OUC shall not by reason of their inclusion under these policies incur liability to the insurance carrier for payment of premium for these policies.

8.3 Waiver of Subrogation.

The Supplier and his subcontractors shall require their insurance carriers, with respect to all insurance policies, to waive all rights of subrogation against OUC, their partners, commissioners, directors, officers, agents, and employees and against other Suppliers and subcontractors.

This policy shall include an "all states" or "other states" endorsement.

Exemption certificates shall be accepted if valid during the term of the Contract, but only for those eligible corporate officers pursuant to Chapter 440, Florida Statutes. Proof of workers' compensation coverage must still be provided for all employees, sub-contractors not eligible for exemption.

This policy shall also include protection against claims insured by usual bodily injury liability coverage, a "contractual liability" endorsement to insure the contractual liability assumed by the Supplier under the article entitled INDEMNIFICATION, and "Completed Operations and Products Liability" coverage (to remain in force for 2 years after final payment and subsequent to project completion). OUC may allow in its sole discretion, a combination of General Liability coverage and Umbrella coverage to satisfy required liability limits

If the Supplier's work, or work under its direction, requires blasting, explosive conditions, or underground operations, the comprehensive general liability coverage shall contain no exclusion relative to blasting, explosion, collapse of structures, or damage to underground property.

Supplier warrants that the Services performed hereunder will reflect competent professional knowledge and judgment.

GC 10.0 PAYMENT OF INVOICES.

For purposes of this section, change in status means an individual who is no longer employed by the Supplier to perform Services on the H&M Covered Assets or who no longer has a need for such access under this Agreement. Neither Party may withdraw before the conclusion of the proceeding.
