Proof of purchase is necessary to obtain any rebate. Random on-site verifications may be conducted prior to issuing rebate. All receipts / invoices must be dated and submitted within 12 months of the date work is completed. Rebates will appear as a credit on your OUC bill. Please allow 6-8 weeks for processing. If you have any questions contact us at 407.434.2256 or conservationsupport@ouc.com. Delivery options are listed on the back of this form.

**Please see all rebate requirements listed on the back of this form.**

## REBATE REQUIREMENTS FOR COMMERCIAL REBATE FORM

All measures must meet and be installed according to the manufacturer's specifications. A legible copy of the invoice and proof of purchase are required to obtain any and all rebates. The rebate form must be filled out in its entirety pertaining to the specific rebate requested along with the signature from the customer receiving the rebate.

Please Note: An invoice from any contractor can not be entirely handwritten, and while we understand some contractors are not using official drafted invoices, we will accept proof of purchase in lieu of any official invoice. Please provide a copy of the handwritten invoice along with a copy of whatever method of payment was used for the installation (i.e. front/back copy of the canceled check, copy of the credit card statement, bank statement, etc...)\*

1. **Window Improvement: Window Film or Solar Screen:** Only east, west and south facing windows qualify for this rebate. Shading Coefficient (SC) must be 0.5 or less. Total square footage or the dimensions of each window and shading coefficient of film installed must be noted on the invoice.
2. **Window Improvement: Energy Star Windows (regionally-accepted):** Windows must be Energy Star rated and meet regionally-accepted standards of a U-Factor that equals 0.6 or less and a Solar Heat Gain Coefficient (SHGC) that equals 0.27 or less. For more information, visit [www.energystar.gov](http://www.energystar.gov). Invoice must reflect the type of windows installed, and include either the total square footage or the dimensions of each window. Proof of an Energy Star rating must be submitted with your application for each type of window installed.
3. **Cool / Reflective Roof:** Proof of Energy Star qualification is required. The total square footage of material installed, type of reflective material and Solar Reflectance value must be notated on the invoice. Solar Reflectance value must be 0.7 or greater and included on invoice.
4. **Block Wall Insulation:** Invoice must list the original R-Value, the final R-Value and the total square footage of insulation installed. **Must increase initial R-Value by a minimum of R-10.**
5. **Ceiling Insulation:** Final R-Values of R-19 or greater qualify for this rebate. Customers with an existing insulation level of R-11 or less are eligible for a \$0.14 per sq ft rebate. In order to qualify for this rate, OUC must inspect and measure your existing insulation before the new insulation is installed. Inspections can be scheduled by calling 407.434.2256. Existing R-Value, Final R-Value, total square footage of installed insulation and type of installed insulation must be included on the invoice.
6. **Floor Insulation Upgrade:** Final R-Value must be at least R-11 to qualify. Existing R-Value, Final R-Value, total square footage of installed insulation and type of installed insulation must be included on the invoice.
7. **Heat Pump:** Have contractor provide and attach the AHRI Certificate. Model numbers must be included on the invoice. Only SEER ratings of 14 or higher qualify for a rebate.
