★ "Light-A-Light" ★

and Help a Family at the Ronald McDonald House® During the Holidays and All Year Long

For as little as \$15, you can help light the lights at a Ronald McDonald House® this holiday season and help critically ill children and their families.

Through the "Share-A-Night, Light-A-Light" program, Orlando's two houses will be decorated with holiday lights sponsored by individuals, businesses, schools, churches and other organizations.

Purchasing just one light (more if you can) will help provide a night's stay for a family with an ill child receiving treatment in area hospitals (\$15 is the amount a family is asked to contribute for a night at a Ronald McDonald House, although no family is ever turned away for an inability to donate). The Ronald McDonald House provides a warm, caring place where families can stay together close by their hospitalized child.

YES! I want to "LIGHT-A-LIGHT"

Enclosed is my gift made payable to
Ronald McDonald House Charities® of Central Florida:

\$15 (one night)
 \$105 (one week)
 \$210 (two weeks)
 \$450 (one month)
 \$_____ any amount is welcome
