

CITY OF ORLANDO

Sewer Rates

In accordance with Chapter 30 Municipal Code of the City of Orlando, the commodity portion of the wastewater (sewer) fees will increase by 2.5 percent effective October 1, 2008. The average residential customer will notice an increase of approximately 42 cents on their monthly bill. This increase will offset increased operating costs.

You can receive further information by calling the City of Orlando's Wastewater Billing Section at **407.246.2662**. For calculation examples, visit cityoforlando.net.

Solid Waste Rates

A solid waste rate adjustment of 2.5 percent will take effect October 1, 2008. The average residential customer will notice a difference of 38 cents on their monthly bill. This annual adjustment was approved by the Orlando City Council in 2004 and will be used to offset increased operating costs.

Please call the Solid Waste Management Division at **407.246.2314** with any questions.
