UNITED STATES

At OUC—The Reliable One, we recognize the challenges facing many small businesses, and we want to help.

Your business has been selected to participate in our **Small Business Efficiency Program**, a new program that shows small business owners how to reduce energy and water consumption and improve overall business operations.

Once you've completed the **Small Business Efficiency Program**, you will receive a \$250 credit on your utility bill.

To receive the credit, you must:

- Complete a Commercial Energy Survey or have had one completed in the past 12 months. An OUC auditor will visit your business; identify energy and water efficiency improvements; and provide information on OUC's efficiency rebates and incentive programs. Call **407.423.9018** to schedule your audit.
- Attend a Small Business Development Center Counseling Session (1 hour) at the National Entrepreneur Center at the Fashion Square Mall. To schedule your visit, call the SBDC at **407.420.4850** and advise them you are participating in the OUC Small Business Program.

Getting started is easy!

Just complete the attached application and then take it with you to your appointment at the SBDC at 3201 East Colonial Drive in Orlando at the Fashion Square Mall. The SBDC will validate your application and return it to OUC to process your credit.

Don't delay!

All requirements must be satisfied within three months of the offer date on this card.
