

OUC wants to help you get *plugged in.*

Here's an incentive that's good for business and good for the environment. OUC—The *Reliable One* is offering a commercial **REBATE** for electric vehicle charging stations.

How can a Charging Station benefit your business?

- Increase customer traffic while customers wait for their vehicle to charge.
- Allows you to offer electric vehicle charging to your customers and employees.
- Provides you with financial assistance to power up your own electric vehicle fleet.
- Can help reduce carbon emissions.
- Rebate amount is \$200 per station.
