

Prepare for the Unexpected Home Warranty Protection Programs

Take the Hassle Out of Unexpected Home Repairs

Did you know that broken or blocked water and sewer lines on your property are your responsibility as a homeowner?* And getting them fixed is not only messy, but also expensive and typically not covered by your homeowners insurance. American Water Resources of Florida (AWRF) offers protection from expensive water and sewer line repair bills for only \$11.48** per month for both programs.

Exclusions and limitations apply. For complete Terms & Conditions, please go to AWRUSA.com/terms or call 1-866-315-4473.

* If you live in a dwelling like a condo, please contact your local homeowners association to determine your responsibilities.

** Water Line Protection Program is \$4.99 per month and the Sewer Line Protection Program is \$6.49 per month. Programs can be purchased separately.

Add a protection program directly to your OUC bill to help protect your budget from unexpected repair costs.
