

Home Warranty Protection Programs

Many homeowners are not aware that repairs to the water and sewer lines that run through their property are their responsibility and can be costly to repair. Also, interior electric problems can occur unexpectedly, which create unplanned expenses.

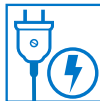

Water Line Protection Program

Unlimited protection for covered repairs to leaks and breaks in the water line that runs through your property.

Sewer Line Protection Program

Up to \$4,000 for covered repairs to clogs or blockages in the sewer line that runs through your property.

Interior Electric Line Protection Program

Up to \$2,500 for covered repairs to your home's electrical wiring, switches, outlets, breaker panels and more.
