

Pricing Workshop

OUC will hold a public workshop to present a five year strategic pricing roadmap at 2 p.m. on Thursday, June 13, 2024. OUC is proposing to update our price structure to keep pace with evolving technologies, environmental standards, and new demands on the grid. The price structure changes seek to maintain an affordable, reliable, sustainable and equitable electric grid.

The workshop will be held in the Commission Chambers on the seventh floor of Reliable Plaza, 100 W. Anderson St., Orlando. No action will be taken.

Budget Workshop
