

Home Warranty Protection Programs

Many homeowners are not aware that repairs to the water and sewer lines that run through their property are their responsibility and are not typically covered by homeowners' insurance. Trying to find a contractor to quickly and expertly provide service can take time that you may not have.

Water Line Protection Program

Unlimited protection for covered repairs to leaks and breaks in your water line. Just **\$4.99** per month.

Sewer Line Protection Program

Up to **\$4,000** for covered repairs to clogs or blockages in your sewer line and up to **\$4,000** for sewer line street repairs. Just **\$6.49** per month.

**Add any protection program
directly to your OUC bill to
help protect your budget from
unexpected repair costs.
Enroll today!**
