

SEWER RATE ADJUSTMENT

Effective October 1, 2019

The capital and operating costs of collecting, transmitting, and treating wastewater, and the cost of the distribution of reclaimed water, have been steadily increasing.

The City is, therefore, proposing a 2% increase in your wastewater rates for 2019-2020. The new rates, if approved, will be as shown below.

RESIDENTIAL RATES:

Capacity charge per ERU

	In City	Out of City
2018-19	\$19.97	\$24.59
2019-20	\$20.06 posted	\$25.08 proposed

Commodity charge (per 1,000 gallons)

	In City	Out of City
2018-19	\$4.75	\$5.92
2019-20	\$4.85 proposed	\$6.04 proposed

COMMERCIAL RATES:

(Includes Commercial, Industrial, and Master Metered multiple family living units).

Inside City Limits:

Water usage is divided by 7000 gallons (result rounded to nearest .10) times \$20.06 is the capacity charge, plus \$4.85 times each thousand gallons of water usage on current bill. Minimum \$20.06 capacity charge.

Outside City Limits:

Water usage is divided by 7000 gallons (result rounded to nearest .10) times \$25.08 is the capacity charge, plus 6.04 times each thousand gallons of water usage on current bill. Minimum \$25.08 capacity charge.

The proposed rate increases will be included in the proposed City Budget to be discussed in Budget Hearings on Sept 3, 2019 at 5:01 p.m., and Sept 16, 2019 at 5:01 p.m. in the City Council Chambers of City Hall, 2nd floor, 400 South Orange Avenue, Orlando, FL 32801.
