## INSIDE

Take Control with Power Pass  
Tropical Weather Updates  
Summer Savings  
Kids Korner  
OUC Marathon

“ When we started using OUC Power Pass, it was like night and day. I feel empowered by the ability to monitor our usage and the flexibility to pay when we have money in hand. This is an example of a company thinking about its customers and being responsive to their needs. OUC has offered a model that works for our family. ”

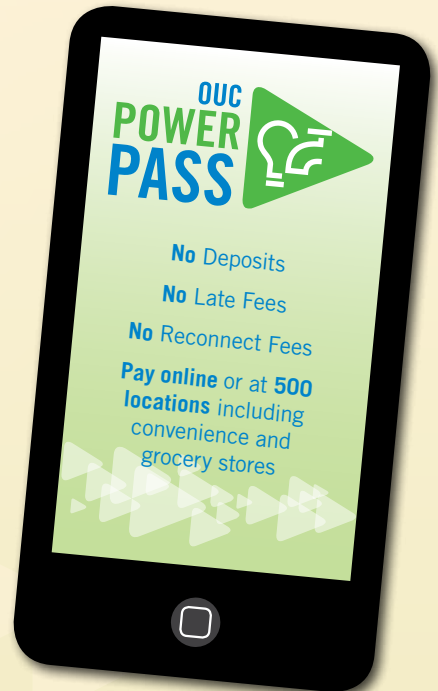

—Frederic, Orlando Customer

## 3,000+ Customers Have Taken Control with OUC Power Pass

Customers all over St. Cloud are saving money by monitoring their electric usage through an exciting new program. OUC Power Pass is a prepaid program that lets you pay-as-you-go for this utility service. Instead of waiting for a monthly bill, Power Pass lets you monitor your usage daily from a computer, tablet or smartphone. You add funds to your account as needed, allowing you to pay when you want, how you want and the amount you want.

It's great for customers who want to monitor and control their usage from their computer, tablet or smartphone. It's also a good choice if you split your utility bill with roommates or if you travel frequently and don't consume electricity on a regular basis. For more information about OUC Power Pass, visit [www.ouc.com/powerpass](http://www.ouc.com/powerpass). To sign up, call 407-957-7373.

## Summer of Savings

The Summer of Savings at Publix is so hot, it's being extended through September 30th! For OUC customers, the fee to pay your utility bill has been reduced to \$1.00 per transaction (note: OUC does not receive any portion of that fee) by using an in-store coupon (**OUC25**). Learn more at your neighborhood Publix.

WHERE SHOPPING IS A PLEASURE®

## Kids Korner

Now that our children are heading back to school, OUC offers Kids Korner – a fun way for them to learn where energy comes from, how it's made, how it's used and most importantly, how it can be saved. Kids Korner is also a great resource for students working on school reports and science projects. And children love the animated diagrams that bring basic science concepts to life, along with interactive games, experiments and coloring sheets. There's even a section for teachers with a variety of downloadable curriculum plans and student activity sheets that are ideal for the classroom. Check it out at [www.ouc.com/kids](http://www.ouc.com/kids).

## Register Now for OUC Orlando Half Marathon or Lake Eola 5k

More than 6,000 runners and walkers will hit the streets of downtown Orlando on Saturday, December 5th for the 39th running of the OUC Orlando Half Marathon and Track Shack Lake Eola 5k. OUC has supplied participants with race day water stations along the 13.1 mile route since 1999. The half marathon (13.1 miles) and 5k (3.1 miles) courses are walker friendly, mostly flat, shaded by centuries-old oaks and paved with bricks to add to the charm. All participants will receive a souvenir T-shirt and half marathoners will earn a handsome finisher's medal.

Register now to receive an OUC Customer discount!
