Fall into Savings

Lower temperatures makes Fall a perfect time to reap the benefits of a lower utility bill. Add efficiency upgrade rebates from OUC and you’ll Fall Into Savings before you know it!

OUC’S ENERGY AND WATER EFFICIENCY REBATES

Ceiling Insulation Upgrade Adding insulation to your attic can help lower your energy costs and keep you cool all year. ($0.10/sq. ft.)

ENERGY STAR Water Heater Upgrade An ENERGY STAR Heat Pump Water Heater can cut water heating by more than half. (100% of cost, up to $500)

Duct Repair/Replacement Duct leaks cause your heating and cooling system to work longer and harder to maintain comfort. (100% of cost, up to $100)

Florida-Friendly Planting and Irrigation Save on water costs by planting low-maintenance plants in your garden and using sustainable watering practices. (100% of cost, up to $200)

Ultra Low Flow Toilet Toilets account for more nearly 30% of a home’s water usage. ($50)

Learn more at OUC.com/rebates.

SLASH UPGRADE COSTS WITH EFFICIENCY DELIVERED

OUC’s Efficiency Delivered program provides up to $2,000 of energy and water efficiency upgrades to your home, based on household income.

An OUC conservation specialist will visit your home to determine upgrades that best suit you. Then, with your approval, the specialist will arrange for a licensed contractor to perform the work. And, the best part is you’ll pay only for your share of the costs. Eligible improvements include:

- Attic insulation
- Caulking and weather stripping
- Water flow restrictors
- Hot water pipe insulation
- Window film installation
- Toilet replacement
- Irrigation repairs
- Duct leak repairs
- Minor plumbing repairs
- Air filter replacement

Learn more at OUC.com/EfficiencyDelivered.
WATER CONSERVATION TIP – IRRIGATION SETTINGS

During Eastern Standard Time (November 4 through March 10), the St. Johns River Water Management District enacts these outdoor irrigation restrictions to protect our water supply:

- Water only once a week
- Water only when needed and not between 10 a.m. and 4 p.m.
- Water for no more than one hour per zone

For specific watering days for your home, visit www.SJRWMD.com.

COME OUT FOR FUSIONFEST

Imagine a free, two-day celebration in Downtown Orlando featuring a kaleidoscope fusion of aromas, sights, sounds, tastes and textures along with storytelling and films capturing the diverse origins and heritages of our community. That’s FusionFest!

During the event, stages will come alive with music, dance, fashion shows and spoken word performances. The International Food & Drink Court will offer sample portions of culinary specialties and beverages from around the world.

Come share a smile and your heritage, and you may discover just how different other people really AREN’T!

Learn more at FusionFest.org.

KNOW OF A STREETLIGHT IN NEED OF REPAIR? Let us know!

With Daylight Saving Time ending November 5 and the sun setting earlier, we want to make sure your community is well lit for better visibility and safety for motorists, pedestrians and law enforcement. Our crews work year-round to repair or replace broken or burnt out streetlights, but with your help, we can do it even quicker!

Visit OUC.com/streetlight to complete the form.
