OUC CHARITY GOLF TOURNAMENT

SATURDAY, MARCH 14, 2026 | EAGLE CREEK GOLF CLUB
10350 EMERSON LAKE BLVD | ORLANDO, FL 32832

DEAR CORPORATE PARTNERS,

Since 1995, the OUC Charity Golf Tournament has made a positive difference in the lives of Central Floridians. Thanks to the generosity of partners like you, more than \$1 million has been raised to benefit 87 nonprofit organizations serving Orange and Osceola counties – strengthening our community through education, opportunity and stewardship.

I invite you to join OUC employees and other sponsors for the **2026 OUC Charity Golf Tournament on Saturday, March 14, at Eagle Creek Golf Club**. This annual event brings people together for a great day on the course – while giving back to causes that matter.

This year's tournament will benefit four nonprofits dedicated to positive change across the Central Florida community. Together, these organizations support economic development, education, environmental stewardship, and social impact – reflecting OUC's commitment to the people and places we serve. This year's beneficiaries include:

- Clean the World
- Education Foundation
- Indian American Business Association
- Senior Resource Alliance

As a tournament sponsor, your organization can make a meaningful and recognizable impact in the Central Florida community and engage employees and clients in a shared experience for a great cause. If you're interested in becoming a sponsor, please email golf@ouc.com or call (407) 619-1886.

I will be in attendance at the tournament and would love the opportunity to connect – please be sure to stop by and say hello!

Thank you for your consideration and for your continued commitment to supporting our community. I hope to see you on the green.

Sincerely,

Clint Bullock

TOURNAMENT BENEFICIARIES

[Clean the World](#) aims to make the world a better place through environmental and social impact solutions. The organization works to reduce pollution, save water and decrease the carbon footprint of thousands of hotels globally through waste-reduction programs – all while helping improve the lives of women, children and communities.

[Education Foundation](#) empowers every student to succeed in and out of the classroom through innovative programs, community partnerships and scholarship support. Founded in 1985, the foundation works to remove barriers and invest in the future of Osceola's youth.

[Indian American Business Association](#) is Florida's largest Indian American business chamber, dedicated to promoting economic development, entrepreneurship and community engagement across Central Florida. IABA supports small businesses and professionals through networking, youth leadership initiatives and strategic partnerships, while giving back through community-focused programs that strengthen the region's business ecosystem.

[Senior Resource Alliance](#) coordinates services and provides resources for senior citizens, their caregivers and family members. From Medicare to housing, the support shared helps Central Florida's elders age with independence and dignity.

Tournament proceeds fund both event operations and initiatives that create lasting community impact.
